January 2010

Dear All,

Well we're back again so quickly and it's over for another year! Thank you all again for your generous presents, cards and good wishes they were really appreciated and our "goody tin" has been stocked very nicely for a few months to come! Thanks also for your support at the concert/party. The children have worked so hard and as usual illness depleted them a little but this didn't seem to dampen their excitement. I hope everyone is now better and enjoyed the Christmas break.

We are looking forward to a fun packed new term with lots to do. During the week beginning 25th January we are talking about the **Royal National Lifeboat Institution** and the great job they do. It is their fundraising week and the theme this year is **S.O.S.** We are inviting the children and staff to come to nursery that week and 'Show Off their Slippers' all children and staff can wear slippers for the week and make a donation to the RNLI.

If anyone has special skills they would like to share with us please make it known to a member of staff. We would be happy to invite you along to help out and to see what we all get up to!

Just a quick reminder.

Please don't drive or park on the school drive at any time, this is for staff parking only. Staff arrive at all times of the day, not only first thing as there are lunch time staff and after school club staff. It is so frustrating when they can't find a place to park for work and it makes them late to look after your children.

Don't forget the lucky number starts again you can buy a number each week for just £1 or £6 for this term and you could win up to £25. Funds raised by this go to pay for our healthy snack time.

On behalf of all the staff I would like to wish you a very happy 2010.

With best wishes,
