

# Home Learning

# Year 3

**Term 5 and 6 2018**

## The Amazing Egyptians

Choose a topic linked to Ancient Egypt that you would like to research. This can be anything you like. Can you make a presentation/poster/fact file... or any other way to show your findings?

## Marvellous Multiplication

Choose a multiplication table you are learning, Can you make up a poster to help you remember the multiplication facts? They could include a rhyme to remember the tricky ones.

e.g.  $3 \times 8 = 24$

**a tree on skates fell on the flour**

## Out and About

Can you try and make a map which shows the journey you make every day to school? Make sure that you show any key features of your journey that stand out for you as you get to school.

## Create a Model

Choose something linked to the Egyptian topic and create a 3D model of it to go on display.

## Compulsory Home learning

Your child will receive compulsory home learning on the following dates:

27<sup>th</sup> April

11<sup>th</sup> May

25<sup>th</sup> May

15<sup>th</sup> June

29<sup>th</sup> June

13<sup>th</sup> July

## Super Sport

With the Commonwealth Games over and the football World Cup approaching, can you make your very own sport? It can be based around any sports you like, but needs to have:

- A picture of what it looks like
- A list of equipment
- An explanation for how it works
- Any rules clearly stated.
