Term 3 2018

Year 5

This term there will be three compulsory tasks which should be completed in the Home Learning book and returned by Wednesday of the following week.

- Task 1 – set on Friday 19th January, to be returned Wednesday 24th January.
- Task 2 – set on Friday 26th January, to be returned on Wednesday 31st January.
- Task 3 – set on Friday 2nd February, to be returned on Wednesday 7th February.

For the other weeks of this term, children will be encouraged to complete one of the activities suggested below. These tasks are more 'open-ended' and the children can choose how best to present their learning – they could do it in their Home Learning book, but they may choose to do it on a larger scale or to use ICT, for example. As with their learning in school, expectations of presentation and content are high.

SCIENCE

Create a model showing the movement of the Earth and other planets relative to the Sun, or the movement of the Moon relative to the Earth. Or...find out about the planets in our solar systems and create a presentation for the rest of the class. Or.... Explore our galaxy – the Milky Way – and the objects that comprise it.

Geography – The Alps

Design and make a persuasive brochure for an Alpine holiday destination or resort.

Imagine you are an explorer or climber exploring the Alps. Write a diary of your experiences, describing what you can see, feel and hear.

RE – Islam

Find out and present 5 facts about Islam that you didn't know. You could look up information in books, research online or interview a relative or friend.

Design a special building – your very own place of worship or reflection. What features would you have to make it special?

ENGLISH – Shakespeare

Find out more about the plays and poems that Shakespeare wrote. How typical is the Tempest in its themes and characters?

What happens next? Write a continuation of the Tempest story as the characters leave the Island. Will they make it back? Will their new-found friendship last? It could be a play, a diary entry or a story.
