

School Council Meeting Minutes  
Term 2

Thursday 16<sup>th</sup> November 2017

Current Christian Value: Trust

Present: Mrs Andrews and all Key stage 2 School Councillors (except representatives from 6JH)

Meeting lead and driven by the councillors themselves.  
Everyone pleased with playground equipment although there is not enough.

It was decided that each of the class representatives should convey the ideas they had gathered from their classmates and share them with all other councillors.

There was much discussion about the ideas that were shared and as to whether any of them were possible to achieve.

Ideas included: More charity events, more science resources, a science club, a 'Buddy Stop' in the playground, table tennis facilities, a children's notice board in the main entrance, a school uniform polo shirt for the warm weather, more outdoor learning and a summer disco.

Actions:

To finish listening to all classes ideas.

To consider writing to Pfizers or others to request more science recourses.

To think up ideas for charity/fund raising events.

Next meeting to be held in Term 3 (January 2018) Date and time to be arranged.
