

School Council Meeting Minutes
Term 5

Thursday 3rd May 2018

Current Christian Value: Compassion

Present: All Key Stage 2 School Councillors and Mrs Andrews.

Meeting lead and driven by the councillors themselves.

- Mrs Andrews passed on some very exciting news on behalf of Mr Harper who had recently attended a PTFA meeting.

The PTFA have decided that they would like to give the school council a donation of £250. It was agreed that this was extremely generous and that the money would be used wisely in order to provide all pupils with something of benefit. It was suggested that perhaps the sum could be halved and £125 used for KS1 children and £125 used for KS2 children as it is recognised that needs can be different depending on age.

- All members extremely keen to continue with the application for THE DENGINEERS in order to acquire more video footage. Councillors continued to work on this for the duration of the meeting.

Actions:

Mrs Andrews to edit the video footage acquired and to share it with councillors at the next meeting.

To write to the PTFA and thank them for their kind donation.

School councillors to communicate the good news to their classes and canvas opinion again as to its use.

To further discuss the use of the £250 at the next meeting.

Another meeting to be held in Term 5. Date and time to be arranged.
