

Specific English and Maths tasks, which ALL children will be expected to complete, will be set on the following dates: 19th January, 26th January and 2nd February. Please continue to listen to your children reading on a regular basis.

Home Learning

Term 3 2018

Design your own map!

We will be learning about land-use in geography. Your challenge is to research an area (local or anywhere in the world) and discover how the land there is used. Record your findings creatively, such as a pie-chart, poster, power-point or any other way that you can think of.

Have fun!

R.E

This term we will be focussing on **Judaism alongside Christianity.**

What do you know or can find out about Judaism? It would be great for you to share your learning with us and to go up on display.

Time

What activities can you do in: 5 seconds, 10 seconds, 30 seconds, 1 minute?

Take a photo of yourself doing these activities.

Practise telling the time on an analogue clock.

English

This term we are studying the book Iron Man by Ted Hughes. We will be focussing on the different literary techniques he uses to create: imagery, atmosphere, tension etc. Your challenge is to change the story in some way, you could: change the title (The Iron Lady) change the setting, change the problem or even the ending. Whatever you decide please make sure that you check your writing against our non-negotiables and proof read out-loud. We look forward to you sharing your creative writing with us.

New Vocabulary in Maths

Here's a list of some of the new words we'll be discovering and using this term. If you're not sure of the meaning of any of them, you could look them up in a dictionary and create your own glossary. Your challenge is to create a word-search or crossword which includes the definitions in the clues.

Maths: : *inverse, fractions, numerator, denominator, measurement, capacity, length and mass*
