

# Home Learning

# Year 6

## Term 3 2017

### Martin Luther King Jr Day

16<sup>th</sup> January 2017

Research the impact of Martin Luther King Jr and recognise his goals and achievements. You will (I am sure) find facts out which interest you and leave you wanting to find out more! Record these facts/ stories and bring them into school for our display.

Remember presentation, non-negotiables and high expectations.

### Holes

Imagine you are a character from the book 'Holes'

Tell us your story about how and why you ended up at Camp Green Lake.

You can present this in any way that you would like to: a poem, poster, newspaper article etc.

Remember your non-negotiables and presentation.

	5	3	2	7			8	
6		1	5				2	
2			9	1	3		5	
7	1	4	6	9	2			
	2						6	
			4	5	1	2	9	7
	6		3	2	5			9
1					6	3		4
8			1		9	6	7	

Your child will receive a compulsory home learning each week from now on to prepare them for secondary school.

### Science / Geography

We would like to encourage you to investigate the plants and animals in your gardens.

You could use your classifying skills to show the rest of the class what lives in your garden and how the environment suits them. You could also think about what you could do to attract more flora and fauna to your garden.

### News around the world.

We would like to encourage you keep in touch with what is happening around our world. Watch the news or read the newspaper and find an article of interest to report back to the class. We will find the time for you tell us what you have found out. Remember to link your geographical knowledge to you report; tell us which continent etc. you news is happening in.
