## PE Days:

Thursday and Friday will be our outdoor PE sessions (weather permitting). Rounders, OAA and athletics will be our focus. As the weather is improving, please ensure that your child has a spare hat to wear. Our timetables are flexible therefore it is helpful for your child to have their P.E kits in school at all times.

Thank you for your continued support this year, please come and speak to any member of the year 6 team if you have a concern or question.

## Playtimes:

It is important for the children to be prepared for all types of weather. Please could your child come into school with a warm/waterproof coat. Children may also bring in named wellies in if they wish to access the field all year round.

## Reading

Reading at school and home is essential to your child's development and should take place regularly. It is important for children to continue to read aloud as this supports with fluency, expression and reading for meaning. Making sure that your child has a good understanding of what they have read is a focus on our school's plan. In the front of their reading record books there are some questions which you could ask them to help deepen and question their understating of the text. We appreciate your support with this. A useful website with ideas for books that we use in class is <http://www.lovereadng4kids.co.uk/>.
